MISSION DE RECHERCHE

SAPRAT

We invite doctoral/post-doctoral proposals on individual topics within the following broader fields:

Paleography 1: “Medieval Hebrew Liturgical Manuscripts: Between France and Germany”
Paleography 2: “The Mishnah, the Talmud and their Commentaries: Codicology, Paleography and Book History”

The École Pratique des Hautes Études, PSL-University in Paris, France, is inviting candidates for two Doctoral / Post-Doctoral scholarships in the field of Hebrew Paleography and Manuscript Studies. The successful candidates on a doctoral level will prepare their doctorate at the EPHE, PSL, under the supervision of Professor Judith Olszowy-Schlanger and will join the team led by her in the framework of the ERC Synergy project MiDRASH (Migrations of Textual and Scribal Traditions via Large-Scale Computational Analysis of Medieval Manuscripts in Hebrew Script). On a post-doctoral level, candidates will work part time on a monograph on the following topic and part-time on the implementation of the palaeographical annotations of the digital Hebrew Paleography Album (HebrewPal) (<https://www.hebrewpaleography.com/>).

They will attend one weekly research seminar and coorganize/participate in an annual conference in Hebrew Manuscript Studies at the EPHE.

Founded in 1868, EPHE, PSL is a leading French institute of advanced studies. Its Humanities' sections include ancient and medieval Jewish Studies. The EPHE is a pioneer and a leader in the fields of Hebrew paleography and codicology.

ERC-Synergy programme MiDRASH is composed of four teams led respectively by Daniel Stökl Ben Ezra (EPHE, PSL), Judith Olszowy-Schlanger (EPHE, PSL/Oxford), Nachum Dershowitz (Tel Aviv-University), Avi Shmidman (Bar Ilan University), in collaboration with the National Library of Israel and Haifa University. Its overall aim is to advance our understanding of the literary, textual and manuscript production processes in Ancient and Medieval Judaism by applying computational methods to transcribe and analyse thousands of medieval Hebrew manuscripts. For a brief presentation of the project please check <https://escripta.hypotheses.org/500>
